First, The convenient Checking Account, which enables you to issue checks for payments, and provides you with a receipt for every payment.

Second, The Savings Account, which adds compound interest to your principal, and enables your working capital.

Third, The interest-bearing Certificate of Deposit, a negotiable security, issued at any time.

Beneficent Work of Nature.
Through the assisted immigration of plants the timber resources of America have been enlarged and its orchards have been rendered more productive and valuable. Grain crops have been made surer and larger and food for domestic animals has become more varied and more satisfactory.

Possible Cause of Leprosy.
Among the coast-living people among whom the disease of leprosy is most prevalent the eating of raw fish is customary, and germs which would be destroyed if the fish were cooked are thus communicated.

Testimonial to Henry M. Flagler

KEY WEST, Fla., Jan. 23.—Upon the arrival of the special train bearing Henry M. Flagler to the Oversea celebration here yesterday he was presented with a testimonial from the employees of the Florida East Coast railroad, the same being in the nature of a congratulatory message on the opening of the Key West extension.
The testimonial is a fac simile of a message sent to Mr. Flagler engraved on a plate of gold, enclosed in a casket of solid 18-karat gold. The casket is suitably engraved, typical of the Key West extension and Florida scenes, and in the center of the top is the well known design typifying the sun bursting through the clouds and shining on the East Coast of Florida. The casket is enclosed in a solid mahogany case.

NEW YORK, Jan. 10—The fire in the Equitable Life Assurance company's building, which started yesterday morning and gutted the big granite and marble structure, is still burning today and the city firemen are working hard to subdue the flames.

Between \$1,000,000 and \$1,500,000 worth of securities are locked in the vaults of the big building and the vaults in the ruins are being strongly guarded by a cordon of police.

It is now known that seven lives have been lost in the fire and others may be in the ruins.

The Equitable officers declared today that none of the policyholders will lose a cent because of the disaster. By hard work the firemen have been able to keep the blaze from spreading to other structures in the vicinity.
